CALIFORNIA PUBLIC REQUEST ACT OF DECEMBER 17, 2018

This letter responds to your California Public Records Act request dated December 17, 2018, which was received by the Stockton Police Department on December 17, 2018.

The information that you requested is attached.

The discrepancy in the total number of shootings we reported last year, for 2013 and 2015, is because there was a shooting involving our officers that occurred in another jurisdiction and subsequently investigated by a different agency in each of those years. Those investigations were not part of our records when we responded, and they have since been added to our records.

If you have any questions or wish to discuss this matter, please contact Administrative Analyst Maryann Weiman at (209) 937-8522.
